CENTRAL INTELLIGENCE AGENCY

OFFICE OF CENTRAL REFERENCE

26 February 1960

MEMORANDUM FOR: ACSI Disseminator

SUBJECT: Distribution of NIE's

Paragraphs 1, 2, 3 as in other draft

4. The second phase of the survey will require the cooperation and assistance of the officer in charge of NIE distribution in each of the major recipient agencies. Your office, through Col. H. W. Meinecke, has already been most helpful in connection with this survey. An initial detailed study of NIE distribution was made in ACSI several months ago. As a result of the data and experience gained at that time, it has been decided not to conduct a similar survey in the other agencies but rather to make the somewhat less complex inquiry contained in the attached questionnaire. In order to have uniform results, we are also sending this questionnaire to you. It is possible that some of the data collected in the initial study may be helpful to you in completing this questionnaire. If so, our liaison officer, [redacted] [redacted] will be glad to assist you. For example, we already have copies of your distribution lists. These could merely be checked for accuracy, thus avoiding the preparation of new ones.
